

Office of Career and Technical Education
CO-7 Program Accessibility Assurance Form

This form may be used to replace photos in the CO-7-1 section only.

As applicable to the program, we assure the following:

- Students have adequate safety equipment which is properly located, in good condition and of sufficient quantity for all.
- All eye wash stations are in place, of proper size, properly maintained and accessible to all students.
- All students have access to personal changing and wash up stations.
- All chemicals or hazardous materials are properly stored.
- Room arrangement and desks allow for equitable access for all.
- Equipment is accessible to all students.

We, the undersigned, have reviewed the program learning environment and assure that all spaces students receive training or instruction for the program are safe spaces and accessible to all students. Accessibility includes, as applicable to the specific program, any areas students receive training or instruction.
